Partner Info

Iliana Bustios moved to Peru from Las Vegas about 3 years ago to work in Huanchaco, Peru so that she could make a difference in the lives of teens and young adults. The Crossing partners with Iliana and her team to see lives changed and transformed through consistent relationships and investment in gang ridden neighborhoods and communities. The team from The Crossing will work with Hope for Youth, a nonprofit based in Huanchaco, Peru, to go through Bible studies, play games, build relationships, and help out in the new Hope for Youth ministry center. We want to support Iliana and her team so that they can help continue influencing the lives of young adults towards community and away from the influence of the streets.

Trip Info

WHY GO ON THIS TRIP?

The Crossing firmly believes in providing opportunities for individuals to learn more about what God is doing around the world. We are committed to offering trips and service projects for you to see firsthand what ministry looks like in Peru and how you can actively contribute to serving others globally and locally. Our hope is that you will be compelled to change something within your lifestyle at home after this experience and make a greater impact locally and globally.

WHAT WILL WE BE DOING?

The team from The Crossing will spend time in Huanchaco be a part of devotionals, teaching lessons, spending time around a bonfire and building relationships there with Iliana and the young adults in the community.
